### Description:

Fine promotional map and separate brochure, promoting the community of Pacific Palisades,

Published by the Pacific Palisades Chamber of Commerce, the brochure includes numerous photographs and testimonial to the benefits of residential life in the Palisades.

*A wide range of homes and homesites, from modest to luxurious, are to be found in Pacific Palisades. Primarily a community of middle-income residents who won their homes, Pacific Palisades is ideally situated in an atmosphere of beauty, refinement and culture . . . for here music and arts flourish. Numerous artists, writers, composers, motion picture actors and producers make the community their permanent home.*

*Being a residential community, shopping areas are provided under the City of Los Angeles zoning ordinances, while industrial development is prohibited.*
