Description:

Fantastic American World War II propaganda poster featuring Uncle Sam's fist (a personified "2nd War Loan") slugging Hitler in the face and knocking swastikas into his eyes (as opposed to the usual Xs).

The poster was most likely made as a riff off of the 1943 Walt Disney movie of the same name, which features Donald Duck in a nightmare working at a factory in Nazi Germany.

The poster includes the additional tagline "They Give Their Lives You Lend Your Money!"
