Description:

Rare Wall Map of the South Bay

Interesting map of the area south of San Diego, extending from National City to Tijuana, centered on Chula Vista.

The map covers what is today Imperial Beach, National City, Chula Vista, San Ysidro, and Bonita, however, when it was made it the area was relatively sparsely populated and the grinding and subdivision of land was fairly new.

An exceptionally detailed map of the South Bay.

Rarity

The map is unrecorded. We are aware of no other surviving examples.
