### Description:

Interesting tourist map and promotional brochure of San Francisco, published in the early 1950s by the San Francisco Convention and Visitors Bureau.

The map illustrates "The 49-Mile Drive" and the "'Wonder' Peninsula 100-Miles Drive", with a detailed description in the lower-left corner.

Below the map are 8 photo illustrations of recreation and amusement options around the city, with additional promotional information, including shopping and dining options on the verso.

### Detailed Condition:

Folding map. Printed front and back.
