Description:

Very scarce miniature engraved chart of the town of Ibiza, on the Balearic Island of Ibiza.

This is possibly the first English printed chart of the famous Spanish port city of Ibiza, now so well known for its world-class nightlife.

The chart stretches from the Island of Fromenterra at the left (south) to Ibiza Town (Yvica) with its various streets and fort indicated. Nearby a town called "St. Hiliare" is also shown. The anchorage in the port is shown along with numerous soundings.

Maps of either the island or town of Ibiza are extremely rare. This is the first antiquarian map of the city that we have seen and handled.

Detailed Condition:

Minor dampstain at the bottom edge.
