### Description:

Nice example of Braun & Hogenberg's views of Verona. The upper view is a nice birdsey view of the city, with a key naming five places. In the lower sheet is a classic town plan, with an engraved view of the the Amphitheatre in the lower right corner. The two cartouches are highlighted in gold. Nice example from a Latin edition of Braun & Hogenberg's *Civitates Orbis Terrarum*, the most important town view book of the 16th Century.
