### Description:

Scarce antique engraved map of New England, published by Thomas and Whipple, for Morse and Parish's *History of New England*.

That map extends from New York City to Maine. The name "ATHUR ADAMS" in the cartouche is a spelling error that persists in all states of the map.

This is the 3rd state (of 3) with the additional imprint of Thomas and Whipple, dated 1809, added outside the lower border.
