### Description:

Beautiful vintage bird's eye view of Miami Beach and Miami beyond, published by the Scenotour Publishing Company in 1955.

The map features Miami Beach in the foreground with large hotels and other landmarks (six synagogues!) illustrated pictorially. It extends north to Bal Harbour and Opa-Locka and west to Miami International Airport. Additionally, the map covers parts or all of Miami Springs, Hialeah, El Portal, Miami Shores, North Bay Village, Indian Creek Village, Surfside, Bay Harbor, North Miami, Biscayne Park, and Miami Shores.

45 points of interest are enumerated in the key at the bottom of the map.

This is one of the best decorative maps of Miami from the mid-20th century.
