Description:

An elegantly engraved and highly detailed map of Maryland and Delaware, with a large inset plan of Baltimore.

The map is based upon Tanner's work in the early 1840s. Shows counties, towns, roads, canals, lakes, etc.

This map was published in Germany at a time when immigration to America was strong in Germany and would have been the only map of the region published in Germany during this time period which would have been reasonably available to prospective emigrants.

Detailed Condition:

Original hand-color.
