Pt. Pinos to Bodega Hd. From The United States Coast Survey To 1885

Stock#: 71384
Map Maker:

Date: 1868 (1906)
Place: London
Color: Uncolored
Condition: Fair
Size: 24 x 38 inches

Price: SOLD

Description:

Large British Admiralty sea chart of the California Coastline, from Monterey to Bodega Bay.

The map includes sailing directions, soundings, light houses and many other navigational features. It also presents a credible look at the interior of California, extending inland to the Antioch area and the mouth of the Sacramento River.

Excellent detail in the San Francisco Bay area, as well as a credible depiction of the major coastal California railroad lines.
