**Description:**

***Antique Map of Maryland from the Early 19th Century***

Nice example of Carey's map of Maryland, one of the best large format maps of the state to appear in a Commercial Atlas.

The map is attractively hand-colored by counties and shows, towns, roads, mountains, rivers, lakes, islands, bays and a host of other early important details. Large inset of Western Maryland.

Carey's *General Atlas* published in 1814 was the first American Atlas to be offered for sale with hand coloring on the maps.
