Description:

With A View of Mount Aetna

Rare antique engraved chart of the Gulf of Catania, published by William Heather in London.

The chart is oriented with west at the top. It includes soundings, some topographical features, and anchorages.

Extends to the town of Mascari and Cape Carnale.

Rarity

The charts from Heather's *New Mediterranean Pilot* . . . are extremely rare on the market. This is the first example of the chart we have ever seen.
