Description:

Rare chart of the harbor at Gibraltar and "Algezirah" Bay, published by William Heather in London.

The chart extends from "The Rock of Gibraltar" to Point Cabreta and Algeciras. Various forts are listed.

Includes soundings, some topographical features, anchorages, and several other points of interest.

The map was made during the Napoleonic Wars when Gibraltar was the linchpin in British naval power in southern Europe and the Mediterranean.

Rarity

The charts from Heather's *New Mediterranean Pilot* . . . are extremely rare on the market. This is the first example of the chart we have ever seen.

Detailed Condition:

Minor toning at the bottom edge. Trimmed into the plate number at the top edge.
