Description:

Rare antique engraved chart of the Gulf of Tunis, published by William Heather in London.

The chart is oriented with south at the top. It includes soundings, some topographical features, anchorages, and currents.

The city of Tunis, Biserte and Port Farina are shown, along other locale information.

Rarity

The charts from Heather's *New Mediterranean Pilot* . . . are extremely rare on the market. This is the first example of the chart we have ever seen.
