First Edition of the First Printed Map of the Republic of Texas

First edition of Bradford's map of the Republic of Texas, the first printed map of the Republic.

The map identifies the early Land Grants in Texas, as well as important early roads. Grants named include: "Stephen F. Austins Grant," "Burnets Grant," "Dewitts Grant," "Zavalias Grant," etc. Other areas labeled include "Comanches Indians" and "Austins Colony."

Early features include "Mustang Wild Horse Desert" in south Texas; Nueces River as southwestern boundary with Mexico and land grants shown, instead of counties. In later editions, Texas extends south to the Nueces River and the cities of Houston and Austin are added, among other changes.

An essential map for Texas collectors, the first edition of the first reasonably obtainable separate map of the Republic of Texas.
