Description:

The First Dutch Map of the Lesser Antilles -- The Islands of Cannibals

Interesting map of the Lesser Antilles, published by Joannes Blaeu.

The map shows the Lesser Antilles, with west at the top of the map, extending from eastern Puerto Rico and the Virgin Islands to Trinidad and the Venezuelan coast.

Published in the form of a sea chart, the map is quite unusual for the Blaeu family, lacking the normal embellishments.

Detailed Condition:

Minor toning.
