Description:

Scarce Railroad map of the Western United States, published to illustrate the lines of the Union Pacific and its major connecting lines.

The map illustrates the completed main lines from Omaha and Kansas City to Denver and Ogden, Utah, colored in red. The additional railroad lines are color coded, with lines reaching to Southern Oregon, western Utah, Ketchum, Idaho, Deer Lodge Montana, Crested Butte, Colorado, and all through the Gold and Silver Regions of Colorado.

The map was likely issued with some sort of annual report beginning in 1883, but is quite scarce on the market.
