### Description:

Scarce mult-sheet GLO map of California, showing the Surveyor General Office, US Land Offices, County Seats, Completed Railroads, Government Reservations (Military, Naval, Lighthouses, etc), Private Grants and a host of other details. The most notable feature of the maps is the table naming the 563 Private Land Grants, one of the few maps to name the official grants. The map is backed on two sheets of linen, as was the normal presentation in the GLO atlases of the period. A great large format map of California.
