Description:

Rare chart of the Gulf of Spezia and the Mediterranean coastline to the north, published by William Heather in London.

Includes soundings, some topographical features, anchorages, forts and other details.

At the southwest point is Porto Venere, gateway to the Cinque Terre, which are just up the coastline to the north and most easily accessed by water taxi from Porto Venere.

The chart appeared in Heather's *The New Mediterranean Pilot* . . . , published in London in 1802.

Rarity

The charts from Heather's *New Mediterranean Pilot* . . . are extremely rare on the market. This is the first example of the chart we have ever seen.
