Size: 27.5 x 21 inches
Price: SOLD

Description:

Interesting map from Gaylord Watson's exceedingly rare *Railroad Atlas of the United States*.

Watson's *Railroad Atlas* was drawn from his Wall Map of the United States. It apparently did not achieve the commercial success of the atlases issued the following year by Cram and Rand McNally & Company in Chicago, and is now by far the rarest of the 3 mid-1870s productions.
