Europe, Exhibiting Its Principal Political Divisions

Stock#: 73177
Map Maker: Lizars
Date: 1845 circa
Place: Edinburgh
Color: Outline Color
Condition: VG+
Size: 18.5 x 15.5 inches
Price: \$ 195.00

Description:

A nice example of the southeasternmost sheet of Lizars's geopolitical map of Europe, in an edition that shows early railroad lines. The map is highly detailed, with many rivers, cities, mountain ranges, and more shown.

Daniel Lizars's *Europe Exhibiting its Present Political Divisions* was published both as a one-sheet map but also included in some atlases. It was continuously updated to reflect the continuously changing borders of Europe, and later editions included railroad lines.

Detailed Condition:

Original hand-color in outline.
