### Description:

#### ***Very Early New York Subway Map.***

Attractive folding map of New York City, featuring a very early representation of the New York subway system, just after it was connected by tunnel to Brooklyn.

The map is flanked by great advertisements for liquors, chocolate, and other products.

The back of the map features a map of the New York metropolitan area.

The very earliest New York subway maps date from about 2 years earlier.

### Detailed Condition:

Folding map. Printed recto-verso.
