Description:

Antique hand-colored engraved map of the region around Frankfurt-am-Main, published by Johann Baptist Homann in Nuremberg around 1720.

The map extends from Höchst on the left to Neu and Alt Hanau on the right. Frankfurt and Sachsenhausen are shown at the center.

The map exemplifies the 18th-century German urban mapping of the time, which usually called for a general map at the top of the sheet, and a bird's-eye view of the city in the bottom quarter or third of the sheet. In this case, the view of Frankfurt is augmented with additional decorative insets showing the economic and ecclesiastical importance of the city.

Detailed Condition:

Original hand-color. Minor centerfold toning.
