**Date:** 1867  
**Place:** Madrid  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 38 x 24 inches  
**Price:** \$ 2,400.00

### Description:

Scarce separately issued Spanish Sea chart of the Gulf of Mexico, published by the Spanish Hydrographical Department.

The map extends from the mouth of the Rio Grande River in the southwest to the Florida Panhandle.

Highly detailed, including soundings and lighthouses.

The map includes the following inset charts:

- Plano de la Pasa del Caballo y entrada a la bahia de Matagorda por el Comodoro Moore de los Estados Unidos en 1841.
- Plano de la Bahia de Galveston for el teniente Craven de la marina de los Estados Unidos en 1851.
- Plano de la boca del rio Sabina por los capitanes Lee y Pillans de la marina de los Estados Unidos en 1840.
- Plano de la Bahia de Biloxi
- Plano del Puerto de San Luis.

Embossed with the stamp of the Direccion de Hidrografia in Madrid at the lower left.

### Rarity

First edition. One copy located in OCLC, at the British Library.

**Seno Mejicano Hoja II. Parte Septentrional segun los trabajos mas modernos  
nacionales y extranjeros 1867**

**Detailed Condition:**

Minor toning at the right side of the chart. A couple of small cuts at the bottom left that have been repaired on verso with archival materials. There are repairs to several edge chips and tears in the margins, including one that just enters the border at the left.
