Description:

Scarce early plan of the town of Moissac, from De Belleforest's French edition of Sebastian Munster's *Cosmographia*.

In 1544, the scholar and geographer Sebastian Munster published his *Cosmographia*, one of the most important and influential works of its type in the 16th century. In 1575, the Paris publisher Francois de Belleforest issued a French edition of the work which includes a number of larger and more detailed images of French cities, such as this one.
