### Description:

Stunning large format map of the Arabian Peninsula, the Persian Gulf, Red Sea and vicinity.

The map is dominated by the Great Desert and Province of Neged. Marvelous detail of the mountains, rivers etc.

The map locates Kattar (Qatar) and other interesting place names in the UAE. Sharjah is called Sharedsje Island and at the mouth of the Flag River.

Pinkerton's now rare elephant folio atlas is one of the best engraved works of the period. While lesser known than the more common atlases by Cary & Thomson, it is a superior work, especially in the detail of the maps.
