Description:

Rare chart of the Gulf of Salerno, including the Amalfi Coast, published by William Heather in London.

The chart is oriented with northeast at the top. Includes soundings, some topographical features, anchorages, a plan of the village, and several other points of interest.

The chart appeared in Heather's *The New Mediterranean Pilot . . .*, published in London in 1802.

Rarity

The charts from Heather's *New Mediterranean Pilot . . .* are extremely rare on the market. This is the first example of the chart we have ever seen.
