Description:

Nice full hand-color example of Ogilby's map of the Northeast, extending from the St. Laurence and New England to the Chesapeake and centered on Long Island, which is still shown as an island.

The first state of the map, which was later re-issued by Vander Aa. Includes an ornate scene of Europeans and Native Americans trading. The map includes extraordinary detail along the Atlantic Coast, Hudson River, Delaware River and Bay and the Chesapeake. Includes a compass rose and a number of animals in the body of the map, retained from the earliest editions by Jansson & Visscher. The Jansson-Visscher map, in it various forms, was the most influential map of the region for nearly 40 years.

Detailed Condition:

Right and left margins replaced in facsimile, barely affecting the image.
