Description:

Striking map of Texas, Upper California, Mexico and the U.S., which distinctly shows a Republic of Texas border. The map is full of great pre-Fremont cartographic myths, including two Salt Lakes (Timpanagos & Teguayo), several mythical river, and a single cordillera for the Rocky Mountains. The Upper California Missions are named. Several early placenames in Texas and nice early Rocky Mountain details. From a scarce work by Duvotenay.
