Description:

Decorative old color regional map of France centered on the Principality of Orange, Avignon and the Rhone River, oriented with south at the top of the map.

Nice decorative cartouche. Chast. Noeuf du Pape (Chateauneuf du Pape) is shown along the Rhone River, half way between Avignon and Orange.

A fine example of this decorative map of one of France's most famous wine regions. Blaeu was one of the last of the principal map makers to use map orientations which did not place North at the top of the map, although the practice continued with sea chart makers well into the 18th Century.
