Gray's New Map of the United States

Stock#: 7562
Map Maker: Gray
Date: 1879
Place: New York
Color: Hand Colored
Condition: VG+
Size: 27 x 16 inches
Price: SOLD

Description:

Detailed and attractive map of the United States, with a large inset of the Territorial District of Alaska formerly Russian America, ceded to the United States in 1867. The map shows towns, mountains, railroads, forts, rivers, ports, and a host of other details, including a very early appearance of Yellowstone, called only National Park. The details in the west are quite exceptional, as good as any commercial atlas map of this period.
