### Description:

#### *For The Curious Wayfarer (and Bookstore Lover)*

Marvelous pictorial map of Sydney and the harbor drawn by famed Australian artist Roderick Shaw for The Grahame Book Company.

The view shows the area from the zoo to south of Goulburn Street, from South Head to Clarence Street.

The map verso provides a literary and cultural guide to Sydney, along with a list of restaurants other amusements.

The map was featured in several recent exhibitions and articles about the mapping of Sydney, including a May 1, 2019 talk by Sydney City Curator, Margaret Betteridge entitled *Cartographica: Sydney on the Map* and in the December 2019 edition of the *Journal of the International Map Collectors' Society*:

*Roderick Shaw's 'Map of Sydney & Inhabitants . . . published by the Grahame Book Company. . . utilizes a bird's-eye perspective to create a sense of dynamism and vibrancy. This section of the [Sydney Map] exhibition demonstrated a new purpose for the city's maps - as decorative objects - with many created as souvenirs intended to amuse and delight readers.*

### Rarity

The view is very rare. We note 3 examples in Australian libraries.
