### Description:

Interesting early regional map centered on Croatia, published by Sebastian Munster.

The map is oriented with south at the top, with the Sava (Drava) River running along the bottom of the map and extending south to the area around Zadar (Sara) Croatia. Several of the towns in the top left corner are topped with crescent symbols, likely symbolizing Ottoman control.

From the 1552 Latin edition of Munster's Cosmography, one of the most influential geographical works of the 16th Century.
