Description:

First Map of New Jersey Printed in France

One of the earliest obtainable maps of the State of New Jersey published outside of the United States.

The map appeared in Buchon's edition of Carey & Lea's Atlas, which was highly prized not only for its cartographic information but the marvelous information about each of the states and territories included.

The atlas was issued in 6 editions in English, French & German between 1822 and 1827. The French edition is a completely revised map, with better engraving quality than the original Philadelphia edition.

Detailed Condition:

Original hand-color by county.
