Description:

Marvelous map of the region from Lake Erie and Lake Huron and eastward.

Shows counties, towns, rivers, lakes, mountains, forts, Indian tribes, etc. One of the best regional maps of the period to appear in an American Atlas.

Bradford's atlas was a departure from other atlases of the period. Along with HS Tanner, Bradford produced an elegant, well engraved large format atlas on high quality paper. The 1830s were a fascinating transitional period in the US and in domestic cartographic publishing. Bradford's work is without question an important part of this era. The maps were engraved by GW Boynton or S.Stiles, Sherman & Smith.
