### Description:

Attractive antique map of Gibraltar showing the city as well as navigational detail. This map is oriented to the east, with the rock of Gibraltar and related high points shown in the center of the map. Topography is shown pictorially, and depth soundings are provided. This map originally appeared in Bellin's *Le Petit Atlas Maritime*.

The map shows numerous soundings from around Gibraltar. The city center is shown, and topography is displayed pictorially. An extensive index at the base of the map names important points in the city.

### Detailed Condition:

Original hand-color.
