Description:

Scarce antique hand-colored lithographed map of the state of Minnesota, colored by counties. The map was produced by the Colton firm but is quite scarce because it only appears in their atlases in the mid-1860s, replacing a more common map that preceded it, and quickly being replaced by another configuration in the late 1860s.

The map shows towns, rivers, lakes, railroads (projected and completed), etc.

Detailed Condition:

Original hand-color.
