Description:

Handsome map of lower Puget Sound, Washington, showing the ferry routes from Tacoma to islands adjacent, including Vashon, Fox, McNeil, Anderson, and the Kitsap Peninsula.

The map was issued by the Washington Navigation Company, a big promoter of this kind of stylized-realism in mapmaking in the 1910s-1930s.

The other works associated with the Washington Navigation Company are more common, though highly sought-after, than this much scarcer map.
