The map is one of many issued to promote a particular hotel, in this case the Broadway Central Hotel, but this example differentiates itself for the vibrance of its color-printing and graphic design.

Tilley Haynes acquired the property in 1892 and renamed it the Broadway Central Hotel.

The Broadway Central Hotel issued another map with virtually the same railway configuration, which [can be seen here](#).

The present map seems to be a reduced version of that map.

Detailed Condition:

Folding map printed front and back.
