The first map is SA Mitchell's Jr.. historical map, showing the 13 colonies, Indian Tribes, with details dating to 1776, along with other important historical facts, populations, and Revolutionary War battle dates.

The second map shows the Unitd States coast to coast, with a listed of territorial acquisitions and statistics on a state by state (and territory) basis.

A marvelous little map produced on the 100 year anniversary of the Declaration of Independence.
