### Description:

Detailed map of Alabama, published in Rand McNally's *Commercial Atlas of America*. The map shows railroads, towns, cities, mountain ranges, and a host of other details. A list of forty-six railroads operating in Utah is shown in the lower-left corner of the map. A list of the principal cities of Alabama, alongside their populations, is shown at the top of the map.

The map includes an inset of Birmingham and the surrounding area in the lower right, showing a large part of Jefferson County and the Shades Mountains.

This example of the map is colored by counties. Parts of adjacent states, including Georgia, Mississippi, and Florida are also visible with some detail.
