### Description:

#### *Rare Early Edition!*

One of the great decorative maps of Southern California, published in the 1940s and 1950s.

Extends from Malibu Beach, Topanga Canyon and Mission San Fernando to Ensenada, centered on San Juan Capistrano in the west. Death Valley, Las Vegas, Needles, Parker Dam and the Salton Sea appear on the Horizon.

A remarkable tourist/caricature map, showing the points of interest in Southern California and illustrated with decorative scenes of California's history and pre-history (the La Brea Tar Pits!).

A lively and highly artistic view of Southern California!
