The Convention Center 1922 Four Routes to the West**

Stock#: 77010
Map Maker: Bull
Date: 1922
Place: n.p.
Color: Color
Condition: VG+
Size: 9 x 32 inches
Price: SOLD

Description:

Wonderful vintage pictorial map of Pacific Coast of the United States, showing the routes covered by Southern Pacific Lines.

The map includes vignette illustrations of important points of interest on the West Coast, with particular attention paid to the old Spanish Missions.

**Scenic Map of the Pacific Coast Southern Pacific Lines | California and all Pacific Coast
The Convention Center 1922 Four Routes to the West**

The artwork for the map was done by W.H. Bull who produced maps very much in the characteristic West Coast style of the time, with stylized realism rendering topography and ground cover as if one was looking down on the area from 100,000 feet. In so doing, artists such as Bull blurred the lines between map and bird's-eye view.

The map is very much redolent of another maker from this time, Fred Routledge.

Detailed Condition:

Folding map, printed on front and back.
