Description:

Original antique map of the Duchy of Savoy in southeastern France, published at the end of the 17th century. The map shows the French and Swiss Alps, showing the famous glacial lakes Lemman and d'Annency. Geneva is shown, as is Bonne, and some of the various alpine ranges are named.

The map is engraved in Sanson's typical style, containing significant detail yet simply presented. The glacial valleys and other alpine features of this area stand out easily, and the geography of the area is easy to interpret.

Detailed Condition:

Original hand-color in outline.
