Description:

Handsome large-format engraved chart of the Bay of Cadiz in southern Spain, prepared for the French Navy and Depot de la Marine by Jacques Nicolas Bellin.

The chart has considerable terrestrial detail in addition to the bathymetric information. It also includes extensive remarks on entering Cadiz by water.

Cadiz was the site of almost countless naval battles and engagements. In the year this chart was published, 1762, the British Royal Navy blockaded the port during the Anglo-Spanish War.
