**Condition:** VG+  
**Size:** 11 x 7.5 inches  
**Price:** SOLD

### Description:

Detailed antique map by Jacques Nicolas Bellin showing the region from just north of Albemarle to Jekil Isle, extending inland to the Appalachians and showing part of eastern Tennessee.

The map covers the extensive river systems, mountains, islands, and some early settlements on both sides of the mountains. A nice early regional map.

From Bellin's *Histoire General des Voyages*.

### Detailed Condition:

On vertical fold, as issued.
