Description:

Gorgeous and highly detailed map of Western Africa, extending from the Kingdom of Brak and Damel's Kingdom to the Gold Coast and the Slave Coast, and inland to Bibbie Lake, Jinbala Island and Tombuctoo (Timbuktu). Highly detailed regional map, one of the best regional maps of the area to appear in an English Atlas during the period. Pinkerton's now rare elephant folio atlas is one of the best engraved works of the period. While lesser known than the more common atlases by Cary & Thomson, it is a superior work, especially in the detail of the maps. A nice example, with only minor soiling at the centerfold and outer margins.
