Description:

Stunning large format map of Saudi Arabia, the Persian Gulf, Red Sea and vicinity. The map is dominated by the Great Desert and Province of Neged. Marvelous detail of the mountains, rivers etc. Highly detailed regional map, one of the best regional maps of the area to appear in an English Atlas during the period. Pinkerton's now rare elephant folio atlas is one of the best engraved works of the period. While lesser known than the more common atlases by Cary & Thomson, it is a superior work, especially in the detail of the maps.
