Scotland with its Islands, Drawn from The Topographical Surveys By John Wyld

Stock#: 7790
Map Maker: Wyld

Date: 1835
Place: London
Color: Hand Colored
Condition: VG+
Size: 30 x 21 inches

Price: SOLD

Description:

Highly detailed large format map of Scotland and neighboring islands, hand colored by counties. Includes remarkable topographical detail. John Wyld's maps are among the best large format maps published in England in the 19th Century and are highly prized for their engraving quality. While better known for his separately issued maps, his atlas, now rare on the market, employed many of the same plates. A fine example on thick paper.
