Price: SOLD

Description:

Attractive vintage pictorial map showing the road between Seattle, Portland, and Mount Rainier National Park. Produced to draw more visitors to visit the park, this brochure highlights the wonderful sights along the way, including: primeval forests, the world's biggest sawmill, the oldest apple tree in Washington, and the first courthouse in Washington.

Many pictorial elements can also be found within the national park, with wildlife and western-themed caricatures abounding. Text to the side describes the journey in vivid detail, highlighting everything that can be done. The verso includes various options for walking and exploring tours that can take the reader
